

Personalized Online Tutoring Lessons

MY PHILOSOPHY

Teaching and sharing are an integral part of my art practice. Since I began exhibiting my work in 1995, I have developed a unique language and accumulated valuable experiences that I am excited to share with you.

WHAT I PROPOSE

I propose customized online lessons designed to meet your needs and desires.

The Basic Tutoring Online package includes two meetings of up to an hour and a half each, with these topics :

Discussion of your works and projects: We will analyze your works together, identifying strengths and areas for improvement.

Analysis of the creative process: We will explore the work of your favorite artists to understand their techniques and approaches.

Survey of the world of glass and contemporary art: We will delve into current trends and innovative techniques in art and art glass.

Preparation of art documentation: I will guide you in creating effective resumes, biographies and artist statements

Presenting your works: We will learn how to present your work in the context of art and glass

COST

The cost for the Basic Tutoring Online package is 700 euros (2 meetings of max. 1 1/2 hours)

CONTACT

If you are interested in taking this course, please do not hesitate to contact me at silvialevensonlab@gmail.com to schedule an online appointment. Together we can agree on the topics to be covered and the duration of the lessons.
